

# ONLINE FUEL ORDER PROCEDURE

To order RON98 fuel for the WRC championship, please follow this ordering procedure.

Note that all orders are placed online only. Before you can access the online fuel order website, the first step is to register your customer account in our system.

To do this, please fill the registration form below by computer and return it by email to [mehmet.basar@total.com](mailto:mehmet.basar@total.com) as soon as possible.

Please attach to this registration form, your international bank account number (an official document issued by your bank). This document is necessary to ensure a quick refund after your last rally of the season. Your registration will be taken into account as soon as this information is obtained.
